Heanor Family Support Hub

Session dates for 2024

Mundy Street Day Centre, Heanor, DE75 7EB (corner of Godfrey Street and Mundy Street)

The aim of the hub is to offer support and a safe space for families who have children on the Autistic Spectrum. These are drop in sessions for the whole family to enjoy, aimed at children under 11 years of age. Children (including siblings) can participate at their own pace with support from parents and our staff team. Families can engage in activities or sit back and enjoy some refreshments, whilst talking to other families and sharing experiences or speaking with staff for advice and support.
