Autism East Midlands

Dads' Social Support Group

For dads around Derbyshire/Nottinghamshire

This group is aimed at dads of children on the autism spectrum, though the children do not have to have a diagnosis for the dads to be able to attend. The sessions are for the dads to attend on their own, without their children, and date and location will vary. Dads can engage in an activity whilst chatting to others present and sharing experiences or speaking with staff for advice and support.

This is a new group – the intention is to have activities such as golf, pub visits, meals and walks, but Steve is very happy to take suggestions on what the group would like to do next!

Please get in touch with Steve McKinley to find out when and where the next meeting is - steve.mckinley@aem.org.uk or 07734 384 374.
