The Autism Family Support Hub is a very relaxed session, with a choice of activities. The aim is to offer support if needed for families with autistic children, with or without a diagnosis.

These are drop in sessions for the whole family

Teenagers, including siblings, can enjoy table top games, sports activities, a sensory room and garden

Parents/carers can engage in activities too, or enjoy some refreshments whilst talking to other families and sharing experiences or speaking with staff for advice and support.

No need to book a place
– just turn up
