The Autism Family Support Hub is a very relaxed stay and play session, with the aim of offering support if needed for families with autistic children, with or without a diagnosis.

These are drop in sessions for the whole family

Children 11 and under, including siblings, can enjoy crafts, sensory activities and toys

Parents/carers can engage in activities too, or enjoy some refreshments whilst talking to other families and sharing experiences or speaking with staff for advice and support.

No need to book a place
– just turn up
