

# AEM

Autism East Midlands

## Would you like to share this house?

### This property would suit...

Someone between 35-45 and has a fun outlook and likes to be part of their local community. It doesn't matter if your older or younger really, just as long as you appreciate that we like to be active.

The four of us living here are male so we would like a male to come and complete our group.

## About Carlton Road

### This residential service is in Worksop, Nottinghamshire.

The property has 5 bedrooms, a spacious lounge and kitchen that we all like to get together in. Our garden is full of potting plants and has an adult size swing. We also have a sensory area that we are in the process of revamping and also turning into a cinema room.

**This is the room that would become yours. Our lovely team would support you to make it your own and more personal.**

Our latest CQC rating:

 Overall Good	Safe	Good
	Effective	Good
	Caring	Good
	Responsive	Good
	Well-led	Good

## Finding the right person

This household is currently made up of 4 tenants, some lovely staff and 1 overnight support worker. We have neighbours next door who also receive support like us, meaning there are plenty of people around when we need some help and support.

This is the first time we have looked for a new person to share our home.

Autism East Midlands knows it is important the right person moves in and can support with introductions and compatibility matching.

We are looking for someone who is going to be friendly and kind and:  
• Will eat (and cook) with us  
• Will watch television with us  
• Likes to listen to music and go to the disco.  
• Who isn't too noisy  
• Will go to the cinema and go swimming with us (if you like).

## What is near to Carlton Road ?

There is the Savoy cinema 10 min away.

There are some local shops and a supermarket. We are only 5min walk from the town centre.

Also, we are a short walk from the train station which is great to accommodate our day trip.

## To find out more

If you would like to find out more or have any questions, ring Gavin or Marion, on:
