Welcome to a new month, the last one flew by, ourselves at Carlton Road have been really busy lately doing lots of different activities, our latest adventure took us to Alpaca walking, Kevin and Richard had a great time,

Leslie is having a great time up at the Sherwood Centre on Wednesdays; here he is petting a guinea pig and Steve at the allotment with some potatoes he has grown.

Sean, Richard, Rory got the train down to London where they had a great time exploring the city, even had pizza and a beer.

Kevin enjoyed a journey on the train where he went to Meadow hall to do some shopping and

grab some lunch
